Welcome to Sørum Multicultural Society

The Multicultural Association Sorum is a nonpartisan organization for immigrants in the municipality Sorum. We want everyone involved to help others find their place in Sorum under the principle of "self-help". Those who have lived here for a while can help new arrivants. The association may be useful to understand and explain letters and documents, contribute to the understanding of Norwegian culture and to find solutions to the challenges facing immigrants in everyday life.

What can we do?

- ✓ Need help in everyday life?
- ✓ Have you recently arrived in Norway?
- ✓ Do you have documents that are difficult to understand?

Yes, we can help!
And perhaps in your own language

What can be you're contribute?

- ✓ Maybe something cultural? Song? Music? Sport? and other things.
- ✓ Translation from Norwegian into your native language?
- ✓ Interpret (unauthorized)?

Yes, and more this is what we need! We will leverage our resources.

**..... or maybe you just want to be there to support a good cause!
We need everyone!**
